Board Members Attending: Paul, Gene, Neil and Sharon

Others attending: Frank Graham, Nancy Bellis

Secretary

Send a 10 day and 4 day advance notice to communicate to all residents when a meeting will be held and they are welcome to attend.

Treasurer

No audit done as yet but Tom Files has agreed to do this before November.

Grounds

Discussion of work done at entrance--one tree still needs to be removed. We will evaluate how the flowers look as the year goes by and make suggestions for future plantings.

Next meeting set for July 8 and move back to the 1:30pm time. The Board will discuss before that date if there is enough business to discuss to even hold that meeting.
