

NORTHFIELD HOMES ASSOCIATION

Board of Directors Closed Meeting

July 2nd, 2020

The Northfield Board of Directors met at 10:00 am on July 2nd, 2020, at the home of the 2nd Vice-President, Brenda Belongy. Attendees were Bill Laughlin, Frank Graham, Diane Younger, Brenda Belongy, and Shirley Dohrmann.

Treasurer's Report: All residents have paid their Homes Association dues for 2020 in full.

Old Business: Perfect Turf has reimbursed Northfield \$375.00 for the work that was done on the flagpole lighting after they had accidentally cut the electrical cord for the lighting.

New Business: Susan Martin has added the Board Communication Form to the website. Please use this form if you have questions, ideas, or concerns to share with the Board.

The City of Kansas City has installed a screen on the drainage ditch curb at the second entrance (87th Terrace).

We are looking to install covers to house both the north and south controllers of the irrigation system at both entrances which include gazebo #1 and gazebo #4.

Irrigation: Our new irrigation company, Roseland Design, is still on site working to repair our irrigation system. They are doing an excellent job.

Frank Graham, head of Grounds committee, Nancy Bellis, Bruce Knipfel and Bill Laughlin are meeting on July 7th, with Roseland. There will be discussion about a possible installation of another controller.
